WATER-SUPPLY DIVISION.

Notice is hereby given that sealed denders will be received at the Office of the Executive Engineer, Water-supply Division, up to 5th July 1920, for 4" and 2½" cast iron spigot and socket turned and bored pipes and specials as per list attached. The quantities of which are not guaranteed. The order should be completed by the end of 20th August 1920.

2. Each tender must be accompanied by a deposit of Rs. 2,200 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for the supply of 4" and 2½" C. I. pipes and specials for road watering and Water-supply to high level bungalows" in default of which, tenders will be rejected.

3. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

4. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

5. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineers's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

6. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

7. The tender for the supply of the articles should be for delivering F. O. R., Mysore.

G. V. RAO,
For *Executive Engineer.*

TUMKUR DIVISION.

It is hereby notified that one R. L. Gandi Rao, late Mutsaddi of this Division has been dismissed from service and debarred from re-employment in this Department as he left the service without adjusting the amount (Rs. 32-5-5) due by him to Government.

N. VIJAYARANGAM NAIDU,
Executive Engineer.

MYSORE DIVISION.

Notice, dated 19th May 1920.

The attention of the public is invited to the advertisement in detail published in the *Mysore Gazette* dated 19th May 1920 calling for tenders for improving the Water-Supply to the Chamrajnagar Town.

Dated 2nd June 1920.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 26th June 1920, for improving the Vanivilas Hospital at Mysore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1921.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees four hundred and eighty in cash or Government Promissory notes, as earnest money, and be superscribed, "Tender for improving the Vanivilas Hospital at Mysore" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
